

This yearly event that has become as popular with the community as our rummage sale, which draws hundreds of patrons. Our Church location provides excellent foot traffic and we are a block from the trolley. This year, we will only be in our Fireside Park allowing for one large area all of our crafters. We have many entrances for easy flow between the booths. We will be advertising this event on Facebook, Nextdoor Village and other media. Your help in passing the word to your friends will help make this a successful event for all. There will be two church volunteers available for questions but they will not be providing security nor help with setup/take-down. Arts & Craft Fair will proceed rain or shine.
